Recognizing people who care about their community

The Palm Beach Post is pleased to announce the annual Notables Season Preview Issue, a special section devoted to the 2007-08 season's charitable events in Palm Beach County and the Treasure Coast. Our special issue of Notables features a comprehensive calendar of fundraisers, galas, luncheons, golf tournaments, dinners, runs, walks, receptions and other important events that benefit nonprofit organizations. Let the fundraising begin!
