## Ex-foster child wins scholarship

Villages of Hope resident Tawanis Smith, 18, was honored by representatives of the Palm Beach County Coalition for Children, which awarded her with a 2009 "Turn To the Future" scholarship. It will cover books and fees when she attends Palm Beach Community College in the fall.

With the help of the scholarship, Smith plans to pursue a nursing degree, with a concentration in geriatrics. Her ultimate goal is to become a forensic pathologist.
